Founded in 1897, the nation's oldest association of teachers of history and social studies welcomes to its membership all persons interested in this field of education. Each year, the NEHTA sponsors meetings dealing with topics of special interest to its constituency, and joins with other associations and groups in promoting those interests. The NEHTA is a founding member of the National Council for the Social Studies and remains its senior affiliate. *The New England Journal of History* (until 1988, *The New England Social Studies Bulletin*) is published twice annually and features historical research, reviews, and pedagogical articles. In addition, the NEHTA publishes the *NEHTA Newsletter and Forum* (formerly the NEHTA Newsletter) twice a year. It offers short articles of current concern, resources for those involved in teaching history, and the latest NEHTA news. Annually, the NEHTA presents the Kidger Award for outstanding contributions to research, teaching, and service to the profession. The NEHTA also presents the annual Laska Award for undergraduate research.
